PRODUCT DATA SHEET

ECOPOL-NE301
Non-Emulsifier

DESCRIPTION
Ecopol-NE301 is a highly effective nonionic non-emulsifier that prevents emulsions with hydrochloric acid and most crude oils. Ecopol-NE301 contains surfactants which deliver superior break times normally within 60 seconds even in the presence of crude oils with a high probability for sludge build-up.

PRODUCT ADVANTAGES
Ecopol-NE301 is designed to have excellent compatibility with a variety of acidizing compounds such as corrosion inhibitors, iron control agents, and anti-sludge agents. Ecopol-NE301 is delivers superior wetting characteristics and a more efficient stimulation. Ecopol-NE301 is designed to deliver a very low surface tension (28.5 dynes per cm) which aids in wettability and water recovery.

CHEMICAL & PHYSICAL PROPERTIES
Appearance: Pale Yellow Liquid
Specific Gravity: 0.831
Appearance/Odor: Alcohol
Ionic Charge: Non-Ionic

TYPICAL USAGE
Ecopol-NE301 is designed for use when cationic or anionic products may not be desirable, yet Ecopol-NE301 will not have a detrimental effect if used with a cationic or an anionic. Ecopol-NE301 is designed to be formulated in hydrochloric acid at a 1-2 gallons per 1000 gallons loading for non-emulsification purposes and offers a very cost effective and high quality alternative compared to other products.

Please read and understand the Material Safety Data Sheet (MSDS) before using this product. This information relates only to the material designated and may not be valid for such material used in combination with any other materials or in any process. Such information is, to the best of our knowledge and belief, accurate and reliable as of the date compiled. However, no representation, warranty or guarantee is made as to its accuracy, reliability or completeness. It is the user’s responsibility to satisfy himself as to the suitability and completeness of such information for his own particular use. We do not accept liability for any loss or damage that may occur from the use of this information nor do we offer any warranty against patent infringement.
